March Makerspace Events

S.T.E.A.M. Club

On Tuesday March 7 at 3:30 PM, join our club if you are 6+ years old and interested in participating in science, technology, engineering, art, and math activities once a month. Sign up by calling (201-420-2348) or stopping by the library.

Teen Tech Week- Creation Time

On Monday March 6 at 3:30 PM, come explore our Maker Space! 3D Printers, button makers, Oculus Rift virtual reality glasses: it's all available to you to use!

Teen Tech Week- Augmented Reality

On Wednesday March 8 3:30 PM, bring your artwork to life with an iPad and an app!

Open Use Time

The Creation Space will be open on Mondays 1-7 PM with many of the tools and equipment available for use. No appointment or registration required! A staff member will be present to assist. Those under the age of 13 need adult accompaniment.

Makers Day at the Hoboken Public Library

Join us on Saturday March 25 from 10 AM to 3:30 PM for Makers Day at the library when we will have a variety of fun Maker events. Visit our Open Makerspace throughout the day for robotics, electronic cubelets, and our 3D Printer. Ages 5 and up.

Adults can **Self Express and De-Stress with Adult Coloring** throughout the day.

Bubble Workshop and Beyond

We are going to take Bubbles in a jar to a whole new level! Join Mr Bubbles and learn how bubbles can pique kids' curiosity about chemistry and physics. Kids will learn how to make the bubble solutions and then create really long, bubbles. We will even put kids

in a bubble. Two classes at 10 AM and then at 11:30 AM. For ages 6 and up. Please sign up the day before on Eventbrite.

Robotics

Sylvan Learning Center will be doing a Robotics STEM activity with us! Kids will get to build and program two mechanical birds that make sounds and dance. Kids will learn about simple machines and how they work together. Ages 6 to 12. Three classes at 2, 2:45, and 3 PM. Please sign up on Eventbrite the day before.

SLIME!

Do you love all things goopy and gooey? If so, join us at the library on Maker Day at 1 PM to make slimy SLIME! We'll be mixing up a glittery, colorful batch for you to take home. This program is for age 6 and

up. This program requires a free ticket for each child, which can be reserved through Eventbrite.

3D Modeling

At 1 PM explore cloud-based resources that allow for the creation of 3D-printable objects. Learn to navigate 3D-space, manipulate existing objects, combine geometric shapes to form your model, and get an overview of 3D-printing options. For ages 9+ Minors must be accompanied by a parent/guardian. We strongly encourage parents/guardians to participate by reserving a separate ticket.

Animation for Teens

At 3 PM teens can make their own stop motion animation videos!

Women's History Month at the Hoboken Public Library

Women in Science

On Tuesday March 14 at 6:30 PM, Lloyd H. Miller of the Deedle Deedle Dees will bring us a musical show recognizing women who have influenced the scientific community. Requires a

free Eventbrite ticket for each child, reserved the day prior. Please bring ticket(s) the day of program.

Natural Women

On Thursday March 30 at 7 PM, join us for a celebration

of the female composers and musicians that shaped American Music. Susan King explores the music of Joni Mitchell, Billie Holiday, and other influential women artists through songs and stories.
