Summer Reading Club for Teens and Kids

Summer Reading Club
The NJ state theme for summer reading this year is "Be Creative" for Kids and "Express Yourself" for Teens. We in Hoboken are ready with imaginative ways to do both! The Summer Reading Program begins July 6th for children entering 1st to 5th grade and teens entering 6th grade & up. Library programs are open to Hoboken residents. Please register. If you don't have a library card, apply for one when you register for the program. For further information, call 201-420-2348.

Children will keep reading logs here at the library by filling out a brief questionnaire for each book. They'll receive weekly incentives as they add to their log. There will also be prizes for the children who read the most books.

Teens read the books of their choice and, for each one, fill out a bookmark telling us whether or not they liked it. Prizes will be given to participants at the end of the Summer Party in August. To enter simply fill out a bookmark, which can be brought in at any time.
