Volume 11, Issue XI

November 2014

Canned Food Drive at Hoboken Public Library

The Hoboken Public Library will hold a food drive from October 10 – November 14. Donations will benefit a local Hoboken Interfaith Food Pantry. All canned and non-perishable items are welcome. Donations can be dropped off at the first floor circulation desk during normal library hours.

Murder at 500 Park!

The first 40 people who donate 5 items to our food drive, will receive an invitation to our first ever Murder Mystery Dinner Theatre Event "Murder at 500 Park" held on Friday, November 14 at 6 PM. Support a great cause and enjoy dinner and participate in a fun whodunit event. The mystery will be presented by professional actors from the Killing Kompany, which has for over 20 years been creating dinner theater events. Come help us solve a mystery! For further information call 201-420-2347.

November Creationspace Programs

3D Modeling Basics

On Thursday, November 6 at 6 PM, learn the basics of using the 3D modeling program Tinkercad to design your own pair of basic 3D Eye Glasses. After the class library staff will print their glasses with our 3D printer for students to pick up! For ages 8 and up only. Kids under 13 must be accompanied by an adult. Limit of 2 tickets per person. We have only 9 computer stations, so our space is limited.

Create Your Own LED Flower

On Wednesday, November 19 at 6 PM, students will work to create a craft paper flower that also includes an LED light. We will create a very simple circuit using a battery, LED light/diode and conductive tape. We will also do some

crafts by creating the flower from paper and some other basic materials. For ages 8 and up only. Kids under 13 must be accompanied by an adult. Limit of 4 tickets per family/individual.

Nutritious Kale Shakes

On Tuesday, November 25 at 6 PM, join staff members as they lead us through a fun cooking class as part of our makerspace. We will be using our Nutribullet Pro to create some tasty and healthy kale based shakes. Recipes and samples will be provided during the class! For all ages. Kids under 13 must be accompanied by an adult. Please disclose any food allergy information.

Maker Events Just for Teens Garage Band Basics for Teens

On November 5 at 3:30 PM, collaborate with other teens to create a song using our recording studio. You don't have an instrument or be a musician to participate!

Teen Video Game Coding

On November 12 at 3:30 PM, teens will learn the basics of computer programming while flexing their creative muscles building their own online video game with Scratch.

Build a Cardboard Speaker

On November 18 at 3:30 PM, teens can create their own speaker using cardboard, masking tape, copper wire, and a magnet.

Visit the Virtual Hoboken Public Library 24/7

24/7 eresources are just a click away for Hoboken Resident Library Card Holders! Even when the library building is closed you have access to full text journal articles, magazines, ebooks, downloadable music, financial investment information, lan-

guage learning, obituaries, historical photographs, local newspapers and more for free from your home computer! For a full list of what is available go to hobokenlibrary.org and click on the databases link (<http://hoboken.bccls.org/html/>

database.htm). If you don't have a library card you can start the process of applying for one online. Request print books, DVDs, CDs, and more through the online catalog and you'll be contacted when they are available.

Art at the Hoboken Public Library

DIY: Charcoal Drawing

On November 13 at 6 PM, learn a unique approach to drawing with charcoal pencils from Frank Pariso, a Hoboken based illustrator and the co-founder of Hobeauxken Art. This step by step process can be used to create a realistic rendering of an old master drawing. The workshop will provide a black and white photo to draw from, along

with charcoal and paper. Participants will learn the fundamentals of drawing with charcoal on paper.

November Gallery Exhibit

"Abstract Nature, Forms and Cupcakes" by Angela Lieh portrays several forms of still life and nature. Angela's work has a modern style and explores an abstract modern expressionist

form with vibrant colors and experiments with rich forms of shapes. She also paints children's works especially different variations of cupcakes.

Angela Lieh is a Hoboken Artist who has received art training in Brazil and NYC. As a result her work is versatile and cosmopolitan. She paints in Gouache, Acrylics, and Oil media.

Introduction to Genealogical Research with Randi Koenig

Just in time for the holidays, Randi Koenig will be at the library to provide two workshops on genealogy research. Part One on Thursday, November 20 7:30 – 8:30 PM will provide you with an introduction to genealogy

research: where to start and how to validate what you think you know. Topics covered include where to start, strategies for success and how to stay organized. Part Two is an advanced look at genealogy re-

search: working with common names and review of various historical documents will take place on December 18 7:30-8:30 PM. Randi Koenig is a professional genealogist with over 15 years international experience.

Fall Family Fun at the Hoboken Public Library

2 Marys, 5 Jacks, & a Very Big Shoe

On Saturday, November 1 @ 2 PM Children help the Old Woman in the Shoe put her children to bed with nursery rhymes and

songs.

Math Wizard: So You Think You Can Add

On Saturday, November 15 @ 10:30 AM (up to 7) @ 3 PM (8 & up), we're going to have a day of

math "Bees" with our friends from Math Wizards. Parents with young children attend at 10:30 AM; older kids come at 3 PM. A STEM program designed to make your kids find the fun in numbers.

Frankenstein Book Discussion and Movie Screenings at the Hoboken Public Library

Sci-fi and Fantasy Book Discussion

Join us for a book discussion of the *Frankenstein* by Mary Shelley on Monday, November 17 at 6 PM. We'll also talk about our favorite authors and books and decide on the works the group will read in the new year. If you are a long-time fan or a newbie to the science fiction and fantasy, we would love to hear your

ideas. Email hplwriters@gmail.com to be added to our mailing list. We will be discussing Terry Pratchett's *Hogfather* in December.

Movie Screening and Discussion

Mary Shelley's book varies dramatically from many of the movie adapta-

tions. Come for a movie screening the next evening on Tuesday, November 18 at 6 PM and discuss a movie adaptation of her classic work.

Movie Screening

Join us for another free movie screening on Wednesday, November 26 at 1 PM. This modern sci-fi thriller will have you on the edge of your seat. Call 201-420-2347 for more information.

Computer Workshops at the Hoboken Public Library

Microsoft Word Part 1 and 2

There will be two word processing workshops covering an Introduction to Microsoft Word in November. Part 1 will be on Tuesday, November 4 at 6 PM and Part 2 will be on Tuesday,

November 11 at 6 PM.

Open Technology Q&A

If you have technology questions or want to check out the library's tablets and ereaders come in for our open tech time on Tuesday,

November 18 at 6 PM.

Spanish Computer Class

Join us for a Spanish Language computer basics class on Wednesday, November 5 at 6 PM.

Resume Writing Basics Workshop at HPL

Whether you are looking for your first job or looking to upgrade the job you are in, join us on Wednesday, November 12 at 6 PM for our Resume Writing

Career Workshop. You will learn the basic ingredients and format of a good resume. Find out some do's and don'ts for basic resumes. You can bring an electronic copy of your resume to

work on during the class in our portable computer classroom. Handouts will be provided. Our career workshops are taught by reference librarian Matt Latham.
