NJ Libraries Funding is Under Threat

Funding for New Jersey Public Libraries could be drastically reduced resulting in less library services and possible closures. To learn more about the proposed cuts and their potential effects as well as how to help go to: www.ilovenjlibraries.org/. You can send a message to the Governor, your State

Senator and Assembly representatives opposing the elimination of funding for library programs at <http://capwiz.com/ala/nj/home/>. To stay informed about legislation effecting libraries become a Library Champion at <http://www.bccls.org/champions/>. As you know libraries pro-

vide valuable services especially in tough economic times including resume assistance, access to books, DVDs, magazines, CD-ROMS, and CDs, free programs for children, adults, and seniors, and free access to computers and the internet.
