**Mythmakers**

Discover the fun of reading as the Mythmakers become reading bugs and lead you away with story and musical adventures filled with singing spiders, hissing cockroaches and dancing butterflies.

**Game Time for Teens**

Teens entering grades 6-12 are invited to friendly tournaments of Play Station 2 sports and music related games on Mondays at 2pm in the 3rd floor program room.

**Spiderman Display**

Our August second floor vestibule display will focus on Spiderman, who is celebrating his birthday. He first appeared in Amazing Fantasy #15 in August 1962.

**Catch the Reading Bug: Book Clubs for Kids and Teen**

Continuing through August children entering first through fifth grade are invited to join the Summer Reading Club. Members will keep reading logs here at the library. They'll receive weekly incentives as they add to their log and prizes for the children who

read the most books.

Teens entering 6th through 12th grade can read the books of their choice and, for each one, fill out a bookmark telling us whether they liked the book or felt bugged by it. Prizes will be given
