

Learn a New Language in August

Sign Language Workshop
On August 20th at 2:00 the Library will be holding a program for American Sign Language for Adults. There will be a strong emphasis on finger spelling the alphabet, emergency situation signs, and everyday signs. Sign Language is useful for aging adults; not only to improve everyday communications skills affected by hearing loss, but also to sharpen their minds. Sign language is fun to use and can be beneficial in case of a stroke or hospital stay.
