Summer Reading Club

The New Jersey state theme for summer reading this year is *Catch the Reading Bug* and we in Hoboken have been bitten! Join us at the library for a wide variety of events for all ages.

Children entering first through fifth grade are invited to join the Children's Summer Reading Club beginning July 7th. We will recommend books based on the theme, *Catch the Reading Bug*, but any age-appropriate book is fine. Members will keep reading logs here at the library by filling out a brief questionnaire for each book. They'll receive weekly incentives as they add to their log. There will also be prizes for the children who read the most books, and an end of summer entertainment program given in their honor

(Date TBA).

Teens entering 6th through 12th grade are invited to join the Teen Summer Reading Club. Members read the books of their choice and, for each one, fill out a bookmark telling us whether they liked the book or felt bugged by it. Prizes will be given to participants who fill out the most bookmarks at our end of summer pizza party.
