Here's What's Happening in June @ Your Library

Big Jeff

On Saturday, June 7th at 2:00 PM, Children's Singer/Songwriter Big Jeff will be stopping by for a musical visit. He'll play many of his best-known songs like *Big Pterodactyl in the Sky*, *Brave Young Fireman James*, and *The Land of Bouncy People*, along with some familiar favorites every child knows. There will be singing along, dancing around, hands clapping, children smiling and lots of listening and learning.

Natural Solution to Allergies

Allergies are one of the leading causes of chronic disease in the United States and contribute to many irritating symptoms.

Because allergies are often an overreaction to specific stimuli, restoring balance within the body helps to decrease symptoms without simply masking them with medication. Join us on Monday, June 16th at 11:00 am in the second floor reading room for a program on this common problem. There will also be a display on allergies in the second floor vestibule throughout June.

Aging in Place: Fall Prevention

On Wednesday, June 18th at 10:00 am, join us for an educational in-service presented by Occupational

Therapists, Nelson Gonzalez and Allison Baird. Their goal is to educate and promote independence in work, leisure, and daily living skills through the use of therapeutic exercise, adaptive strategies, and assistive technology. They currently specialize in the area of home modifications and accessibility consulting. This presentation will focus on fall statistics for older adults, fall risk factors, and fall prevention strategies.

It is always important to talk with your doctor before making changes to your diet, exercise, and medication.

National Candy Month Display

In honor of National Candy Month, the Hoboken Public Library display will focus on the Tootsie Roll. Invented in 1896, this little candy became a big part of Hoboken history when a Tootsie Roll factory was opened in 1938. The factory closed

in the 1960's but the candy went on to become a large part of American life. Included in the display will be materials from the Hoboken History collection as well as a timeline of Tootsie Roll industries, products, and recipes.

Calendar of Events @ your library

Computer tutorials require pre-registration. Priority is given to Hoboken and Hudson County residents. For information call 201-420-2347 to set up a time convenient for you. Weekday children's programs are open to the 1st 15 Hoboken resident children who show a parent's Hoboken Library card with a Hoboken address on the day the program meets. For information call 201-420-2348. Unless announced, Saturday children's programs, teen events, and adult special events do not require registration and are open to everyone.
