SEPTEMBER IS LIBRARY CARD SIGN UP!

September 2012

**Open-Mic, Jazz, and Harvest Food Event**

Come to perform or simply enjoy some great writing, music, and food on Saturday, September 15 starting at 2 PM.

For our open-mic in September we will have a special Harvest and Local Food component. Join us for some activities for kids including decorating homemade pumpkins cookies – made with local pumpkins. We will also feature information on local food. Representatives from the Uptown and Downtown Farmers’ Markets in Hoboken will talk about the different markets as well as local food. We will also have samples of local food including local apple cider!

We will feature the renowned jazz-funk band Big Funk featuring Don Braden, Karl Latham, Nick Rolfe and Gary Foote. The band members have played with such jazz legends as Wynton Marsalis, Freddie Hubbard, Tony Williams, Roy Haynes, Mark Egan, Randy Brecker, Joe Lovano and many, many more! Big Funk has received many glowing reviews from jazz publications and websites and the album is getting air-time nationwide. Come share in this unique opportunity for exciting, world-class jazz for FREE! The Open-Mic for children, teens, and adults will follow Big Funk’s performance.
